Installation of
NorFor Feed Ration Optimizer™

Version: 2023.222.0.441
Date: 2023-03-23
Publisher: [NorFor](#)

Install - The installation will download 80 MB

The following components are installed if they do not already exist:

- Windows Installer 3.1 - The installation will download 3 MB
- .NET Framework 4.0 - The installation will download 50 MB

If the installation includes all components, 183 MB will be downloaded, and especially .NET 4.0 takes time to install and requires a restart. NorFor Feed Ration Optimizer requires Windows 7, Windows 8 or Windows 10.

If you experience any problems during installation, please contact hotline at +45 70155015 on weekdays from 8-16.
